

## 2-in-1 AC-DC USB Car & Travel Charger (3100mA)

Model: HEEC-211

### SPECIFICATIONS

- 2-in-1 power sources to charge USB devices in a vehicle or a hotel on the go
  - DC Input: 12VDC power source of car cigarette lighter socket
  - AC Input: 100 ~ 240VAC universal power source of wall outlet
- USB Output (2 Ports): 5V DC / 3100 mA (1000 mA + 2100 mA)
- Fuse Protection:
  - AC: 2A x 1
  - DC: 3A x 1
- Operating Temperature: 3 ~ 40 °C ( 37 ~ 104 °F)
- Storage Temperature: 0 ~ 50 °C ( 32 ~ 122 °F)
- Compact Design:
  - Retractable DC car cigarette plug
  - Foldable AC plug
- Product Dimension: 80 x 50 x 44 mm (not including plug)
- Weight: 122g

### OPERATING INSTRUCTIONS

#### For DC Car Outlet

- Pull out cigarette plug slowly until hearing a click sound.
- Plug into cigarette lighter socket or directly connect to 12V DC source.
- The power LED indicator lights green when the adapter is properly connected to a functioning DC power source. The dual USB charging ports are ready to use.
- Plug USB compatible device into USB outlets; the device will be charging automatically

#### For AC Wall Outlet

- Apply downward pressure in between the two metal prongs to flip the AC plug.
- Plug the product into the desired 100 ~ 240VAC wall outlet.
- The power LED indicator lights green when the adapter is properly connected to an AC wall outlet. The dual USB charging ports are ready to use.
- You can now connect up to two of your devices to begin charging

**WARNING: Do not use the AC plug and car cigarette simultaneously.**
